### President's Memo

Dear CiCMC Member and Colleagues!

**Yes! It's a challenge!** There are so many activities taking place in Barbados - to capture our personal and professional interests....and we are all SOOO... stretched!

Nevertheless - please "carve out" time to join us at our **Chapter AGM Forum on October 31st**, as we welcome The Hon. Dwight Sutherland to be our guest speaker on the topic: **"Building a Culture of Entrepreneurship"**. Stay tuned! Join us to learn about interesting directions and collaborations which will provide new opportunities.

Those who attended the BCCI / UWI Economic Symposium appreciated the comprehensive and insightful presentations and discussions which provided greater insights into some of the ways forward through the economic challenges our nation faces.

We applaud the initiative of our partner BCSI in the October 17<sup>th</sup> launch of Services Weekend November 17<sup>th</sup> - 19<sup>th</sup> - which seeks to create linkages between services sectors through informative and networking events.

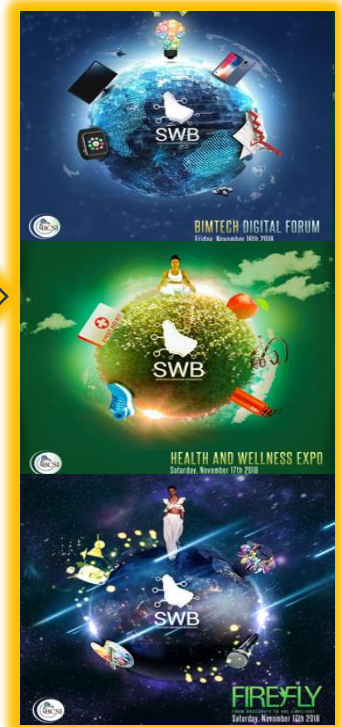

You will not want to miss the first Regional training on the ISO 20700 Standard on Management Consultancy services on November 21<sup>st</sup>. Stay tuned for more details!

Norma Shorey-Bryan, CMC

## CiCMC chapter members give back!

On Saturday September 15, 2018, CiCMC member joined with myriad Barbadians in participating in the national beach clean-up sponsored by the Future Centre Trust. This was the first corporate social responsibility (CSR) activity that CiCMC members participated in. Given the small numbers of members expressing interest, CiCMC therefore linked up with KPMG’s staff group to clean the stretch of the beach from Hastings Rocks down to the Drill Hall, which KPMG undertakes each year.

The troupe set out around 6:30 with bags, gloves, hats ... and in the case of treasurer Monica ...trusty stick! Around 90 minutes later the group wrapped up having collected a small but respectable pile of both recyclable and non-recyclable garbage. According to the KPMG staff the good news is that since the FCT initiative started about 10 years ago, each year the pile has become smaller and smaller!!!

We then joined our KPMG colleagues back at their office for a light breakfast before everyone departed rightly feeling pumped after their individually small but collectively important contribution to our country. Stay tuned ... and join us for our next planned CSR activity!

## Comedy Central

- The classified ad said, “**Wanted:** CEO needs a one-armed consultant, with a social sciences degree and five years of experience.”
- The man who won the job asked, “I understand most of the qualifications you required, but why ‘one armed?’”
- The CEO answered, “I have had many consultants, and I am tired of hearing with each advice the phrase ‘on the other hand.’”
